Message from the Director of Community Services

My hope is that everyone had a joyous holiday and a Happy New Year. Here is to starting off 2014 on the right track.

Within this Recreation Activity Guide, there are some classes, programs, and events that you and your family can join in. Additionally, our department has some exciting projects coming forward:

The new Shoreline Athletic Field complex is soon to start construction and the addition of some more multi-use sports fields (such as soccer, baseball, softball) will be welcomed.

Also soon to start construction is our new Teen Center “The View” on Escuela Avenue, across the street from the current Senior Center. This is another exciting project that will soon benefit so many in our community.

And the City Council approved and purchased the 1.22 acre property at 771 Rengstorff Avenue to be used as Park and Open Space. In the new year, we will begin laying out a plan for future public discussion and development.

Thanks to everyone who participates in our programs, enjoys our facilities, and provides us with feedback and ideas to constantly make our programs better.

Here’s to a Happy 2014!

ASSETS IN ACTION

Why do some youth thrive while others don't? Part of the answer can be found in research done by Search Institute. The Search Institute has identified 40 factors that are essential to raising successful young people. These 40 factors, known as Developmental Assets, are linked to positive outcomes, including success in school, maintaining good health, being a leader, and avoiding high-risk behaviors such as alcohol use, violence, and sexual activity.

The City of Mountain View Recreation Division knows that the Developmental Assets are important to each of our program participants. We provide classes and opportunities that promote the Assets. To help find the ones right for your needs, look for symbols throughout our guide that highlight classes that are enriched with the assets listed on the front page of this guide.
